My dearest Lou –

Our circumstance after
another seems to prevent me from
paying the proposed visit – I thought
to have been with you today- but
our absentees [page torn] so late in
arriving, last week that I could

all here – & well – except
that Lula feels much
fatigued from her rough
journeyings over the mount=
ains – I will leave here
for Walnut Grove on Friday
morning next - & intend

you so soon.

Yrs [...] devotedly,
